### **KICKAPOO CREEK ROAD CONSTRUCTION NEWSLETTER # 1**

**MARCH 8, 2021**

Kickapoo Creek Road will be closed for construction from Monday, March 8 until September 1, 2021 for replacement of a culvert between Adams Street and Middle Road. A detour will be posted on Smithville Road and Airport Road.

The project consists of the removal and replacement of an existing concrete culvert under Kickapoo Creek Road, as well as replacement of existing retaining walls that separate the road from the Kickapoo Creek.

Plocher Construction from Highland, Illinois is the contractor for the project. Millennia Professional Services will oversee the project for Peoria County.

Work is projected to be completed by September 1. However, weather and flooding conditions will have a large affect on this project and can affect the schedule.

During the week of March 8, the contractor will close the road and begin tree removal in the project limits. The contractor will also be delivering equipment and supplies to the job site. Finally, the contractor will begin to drive piling for the retaining wall supports.

Weekly updates will be posted on the Peoria County Highway Department website. If anyone has any questions or concerns, please contact Mr. Jeff Gilles, Assistant County Engineer at (309) 697-6400 x 127 or via email at [jgilles@peoriacounty.org](mailto:jgilles@peoriacounty.org).
