### **KICKAPOO CREEK ROAD CONSTRUCTION NEWSLETTER # 2**

**MARCH 25, 2021**

Plocher Construction over the last two weeks has removed signs, guardrail, and trees. Additionally, they have been placing temporary sheet piles in Kickapoo Creek for construction of the cofferdam that is necessary for retaining wall construction.

Next week, Plocher will be performing earth excavation for construction of the cofferdam, and hope to start removing the old retaining wall.

Please contact Mr. Jeff Gilles, Assistant County Engineer at (309) 697-6400 x 127 or via email at [jgilles@peoriacounty.org](mailto:jgilles@peoriacounty.org) with any questions or concerns about the project.
