### **KICKAPOO CREEK ROAD CONSTRUCTION NEWSLETTER # 6**

**APRIL 30, 2021**

Over the last week, Plocher Construction has completed driving piling for the wingwall that will be located north of the new culvert. They also poured sealcoat concrete in the bottom of the cofferdam that will serve as a working platform for the construction of the wingwall.

Next week, Plocher will be forming the wingwall footings and tying reinforcement bar cages for the footings.

Please contact Mr. Jeff Gilles, Assistant County Engineer at (309) 697-6400 x 127 or via email at [jgilles@peoriacounty.org](mailto:jgilles@peoriacounty.org) with any questions or concerns about the project.
