### **KICKAPOO CREEK ROAD CONSTRUCTION NEWSLETTER # 7**

**May 10, 2021**

The cofferdam is currently underwater due to the rain that the area received over the weekend. The contractor is working on dewatering the site and cleaning the silt out of the cofferdam. Once this work is done, they will continue forming the footings and placing rebar for the retaining wall. The footings will be poured later in the week.

Please contact Mr. Jeff Gilles, Assistant County Engineer at (309) 697-6400 x 127 or via email at [jgilles@peoriacounty.org](mailto:jgilles@peoriacounty.org) with any questions or concerns about the project.
