### **KICKAPOO CREEK ROAD CONSTRUCTION NEWSLETTER # 8**

**May 17, 2021**

The contractor was able to pour the concrete footing for the retaining wall last week. This week, the contractor will be removing bracing from the cofferdam so construction of the actual walls can be started. Weather and creek levels permitting, the contractor will be forming and possibly pouring the retaining walls this week.

Please contact Mr. Jeff Gilles, Assistant County Engineer at (309) 697-6400 x 127 or via email at [jgilles@peoriacounty.org](mailto:jgilles@peoriacounty.org) with any questions or concerns about the project.
