KICKAPOO CREEK ROAD CONSTRUCTION NEWSLETTER # 9

May 17, 2021

Water levels prevented the contractor from pouring the concrete retaining wall sections this week. However, the contractor was able to form the walls and place rebar late this week, and concrete will be poured early next week. The pours will be done over 2 separate days.

Please contact Mr. Jeff Gilles, Assistant County Engineer at (309) 697-6400 x 127 or via email at jgilles@peoriacounty.org with any questions or concerns about the project.
