BRIMFIELD JUBILEE ROAD CONSTRUCTION NEWSLETTER # 6

August 3, 2021

The contractor has been working on earthwork on the jobsite as the weather has allowed. The recent rains have delayed the work, but the contractor is nearing completion of the construction of the widened embankment. Once the earthwork is completed, the contractor will begin construction of the concrete approach pavement, and then the concrete parapet walls on the bridge.

Work is expected to be completed in October.

Weekly updates will be posted on the Peoria County Highway Department website. If anyone has any questions or concerns, please contact Mr. Jeff Gilles, Assistant County Engineer at (309) 697-6400 x 127 or via email at jgilles@peoriacounty.org.
