### **GRANGE HALL ROAD BRIDGE CONSTRUCTION NEWSLETTER # 4**

**August 3, 2021**

The contractor has completed the work on the north side of the bridge. On Wednesday, August 4, traffic will be shifted to the north side of the bridge and work will begin on the south side of the bridge. The contractor will then begin removing the existing concrete expansion joints and completing the structural steel repairs on the south side of the bridge.

A large amount of the work under the bridge was completed during the first phase, so the second phase will not last as long as the first phase, depending on the weather.

Work for the project is expected to be completed by the end of August.

Weekly updates will be posted on the Peoria County Highway Department website. If anyone has any questions or concerns, please contact Mr. Jeff Gilles, Assistant County Engineer at (309) 697-6400 x 127 or via email at [jjgilles@peoriacounty.org](mailto:jjgilles@peoriacounty.org).
