Certificate to give Honored Veteran

We will issue a certificate with each brick thank you/confirmation letter that will be suitable to give the individual honored, with the names of the donors listed. For example, if some grandchildren of a World War II Veteran would like to go together to purchase a brick for their grandfather, they can send in their check with the regular application form along with the names of the grandchildren. The Certificate will show that the brick has been purchased in his name by those listed. We will have to keep the number of names listed to eight. If the name is too long, we reserve the right to abbreviate.
